

BIBLE SCHOLARSHIPS FOR MINORS AND CERTIFICATES

BIBLE SCHOLARSHIP APPLICATION INSTRUCTIONS (please read carefully)

To apply for a Bible scholarship at Ohio Valley University students must provide the following:

- 1) A completed Bible scholarship application form;
- 2) A scholarship essay on why one is doing a minor or certificate in Bible (½ to 1 page);
- 3) A personal reference from an elder/minister (for first-time and transfer students only).

Complete applications **SHOULD BE RECEIVED BY MAY 1** to be applied to the following academic year.

Although late applications will be accepted, awards are made on a first-come, first-served basis according to fund availability and are not guaranteed. All applications received will be reviewed by the Bible scholarship committee and applicants will be notified of the status of their award as quickly as possible.

DETERMINING BIBLE SCHOLARSHIP ELIGIBILITY

Applicants must declare their minor or certificate to be one of the ones listed at the end of this document.

- 1) New students must have a minimum ACT score of 18 (or the SAT equivalent) and a minimum high school GPA of 2.0. Continuing students and transfer students will need a minimum cumulative college GPA of 2.0 and a cumulative Bible course GPA of 2.5. No scholarships will be awarded to students on academic warning or probation.
- 2) Students may apply for a waiver for one semester to attain eligibility. To apply, please submit a detailed letter explaining why a waiver should be granted and what steps will be taken to become fully eligible; then schedule a meeting with the Bible department to discuss your request.
- 3) Students must take four of the five core Bible classes (105, 106, 107, 205, 206) in addition to the requirements of the minor or certificate to receive the scholarship.

SCHOLARSHIP ACCEPTANCE REQUIREMENTS

By accepting a scholarship from the Bible department, recipients agree to fulfill the following obligations:

- 1) Bible scholarship recipients are expected to be active in and contribute to the spiritual life on campus. Opportunities for this type of leadership on campus include, but are not limited to, chapel, weekly devotionals, missions club, men's or women's spiritual clubs, Bible major clubs, and preaching by appointment.
- 2) Bible scholarship recipients are expected to progress toward degree completion in a timely manner. This means that recipients will take Bible courses each semester.
- 3) Bible scholarship recipients are also expected to find a congregation in the area with which to become affiliated. It is beneficial to develop mentoring relationships and to become active in some type of church service. Continuing students are asked to provide the name of a contact person for a local congregation on the continuing student application form. This contact person will be asked to provide feedback regarding recipients' involvement in their congregation.
- 4) Recipients should maintain exemplary personal behavior (see "Personal Behavior of Scholarship Recipients" below). In addition, recipients should exhibit self-discipline in class preparation and attendance, and in all areas of life.

PERSONAL BEHAVIOR OF SCHOLARSHIP RECIPIENTS

Recipients should be aware of the example that they provide to other Ohio Valley University students and the members of the community at-large. In particular, the School of Biblical Studies is concerned about personal behavior of recipients that:

- 1) Could violate provisions of the "Ohio Valley University Community Responsibilities" that are related to immoral, unethical, or illegal activities (see student handbook).
- 2) Could involve illegal activities as defined in the laws of any state or country.
- 3) Could bring reproach on the School Of Biblical Studies and/or Ohio Valley University, including but not limited to: consumption of alcohol; attending bars, dance clubs, or establishments designed to sell and/or trade pornographic materials; and the use of vulgar, obscene, profane, sexually suggestive, or racially offensive language and/or gestures.

If a recipient engages in any behaviors described above, the school of biblical studies reserves the right to alter the terms of the recipient's scholarship award. Alterations may include placing the recipient on probation for a specified period of time, revoking the scholarship in part, or revoking the scholarship in whole.

AVAILABILITY AND AMOUNTS OF SCHOLARSHIPS

Because Bible scholarships are funded primarily by donations, the availability of these funds may vary from year to year. This may affect scholarship amounts. For this reason, Bible scholarships are for one year only and students are asked to apply each year to determine eligibility and scholarship amounts.
