

Office of Student Success

Fall 2014

The Office of Student Success supports OVU students from “Backpack to Briefcase”. We do this with a focus on “career” from day one... defining career as one’s “life’s work” or unique purpose. We do this by providing the following services.

Early Warning

Please report concerns about attendance, failure to submit assignments, and/or poor grades to the Dean of Student Success **as soon as you become aware of the issue!** Periodic requests for this information will be sent out through OVU email.

Disability/Academic Support

If a student states that he/she has a disability of any kind and needs special accommodations please refer him/her to my office (Room 40).

Test Proctoring/Test Reading, etc.

The office of Student Success can proctor individual tests, whether as a make-up or because the student requires a separate testing venue. Tests can be read to students, if that is required as a special accommodation. Please use the Make Up Test Request form when these services are needed. Available at (<http://forms.ovu.edu>)

Tutoring Services

Please refer students to our office if you think they can benefit from tutoring services!

Study Skills Training

If you would like a Workshop “to go” in an area of study skills (basic writing skills, note taking, stress management, test anxiety, textbook reading, time management, values based goals setting, etc.) to be held in your class, we would be happy to accommodate you.

Feel free to refer students to our office for support in any of these areas on an individual basis.
